# Summer Camp 2019

## (for campers 6-9 years old)

Join us for 12 fun-filled weeks of summer adventure at our nature pavilion. Campers will spend much of their day exploring our forest, prairies and meadows while learning about nature. Campers will have the opportunity to explore their creative side through a wide variety of art projects and games.

### **Bugs and Creepy Crawlies** Week 1 June 10-14

This week will discover insects in our woodlands and prairie, and have a visit from "Bruce the Bug Guy" who will bring some unusual insect friends to share. Learn to appreciate insects in a whole new way.

### **Reptiles and Amphibians** Week 2 June 17-21

Bumpy toads and slithery snakes; compare and contrast these interesting creatures. No log will go unturned or grasses overlooked in our quest to find these reptiles and amphibians. We will have a visit from the "Reptile and Discovery Zoo" who will bring along a few of their "friends".

### **Curious Critters** Week 3 June 24-28

Discover creatures of all sizes this week as we learn about mammals! Through nature hikes and fun games, we will discover what critters need to survive. We will have a visit from the "Cock-a-Doodle Zoo".

### **Cookin' Up Summer** Week 4 July 1-3 Only

Bring your appetite as we cook up tasty summer snacks that everyone will enjoy! We'll make some classic camp recipes over the fire, healthy summer snacks and many other delicious treats! Campers will help create a cookbook of culinary delights to round out the week.

### **Messtival and Let's Get Wet** Week 5 July 8-12

Get ready for a wet, wild and messy week. Bring your bathing suit and dress in old clothes as we will be exploring water and getting good-n-dirty as we enjoy splatter painting, body painting, slime and more and many more ooey-ooey adventures.

### **Summer Olympics** Week 6 July 15-19

From our opening ceremony, individual and team sports, medals and closing ceremony, campers will experience St. Croix Montessori's second Olympic games.

### **Weird Science**

Week 7 July 22-26

Explore your inner scientist by conducting some experiments with household everyday items. This camp will keep you intrigued all week long.

### **Arts and Crafts of All Kinds** Week 8 Jul 29-Aug 2

Let the budding artist come out and enjoy learning how to work with textiles. We will try our hand at papermaking, felting, basket weaving, finger-knitting and natural dying.

### **Ahoy to Pirates**

Week 9 Aug 5-9

"X Marks the Spot" .....explore the hidden treasures on the grounds of SCMS. You will make your own treasure maps and enjoy some pirate games and activities.

### **To Infinity and Beyond** Week 10 August 12-16

This week we will be looking towards the sky as we learn about things that are out of this world! We will build rockets, learn about our solar system and explore constellations. We may even try our hand at making our own planetarium.

### **Up, Up and Away**

Week 11 Aug 20-23

(No Camp on Monday)

From birds to planes, from blimps to kites, explore and craft all things with wings or flight.

### **Everything Minnesota, You Betcha!**

Week 12 Aug 27-30 (No Camp on Monday)

Minnesota has a rich cultural history. This week we learn about the Native Americans and pioneers from a visitor from the Mille Lacs Museum. Flannel "Paul Bunyan" Friday.
